Just the Facts from 21

Hello! I hope you had a great weekend and are enjoying getting back into the swing of things! I hope you are hearing great things about 5th grade! I am really enjoying getting to know your children and forming a caring and cooperative community in our classroom. I know the beginning of the year can be trying with learning about each other, but I think we're doing a great job! I am really looking forward to learning with this great group of kiddos! Please contact me with anything!

~~ Mrs. Schwartz

Spelling: We took our first pretest on Wednesday. I hope the kids are studying for spelling nightly. Each day we do an activity and then review it with our common groups the next day. I think this will prove to be a fun and interesting way of doing spelling. I hope that we all improve in spelling this year!

Camp Update: Please get your camp forms and balances in to Mrs. Schwartz ASAP! We have a lot of planning to do and need to know who is and isn't going to camp. Remember you are responsible for getting your child to camp on Sunday, September 25. We will be having a short camp meeting following Open House.
